

**K-Mart**

Reroofs the remaining 20,000 s.f. of roof. **K-Mart** started reroofing its building in Kinston, NC three years ago. In June 1999 the last section was also reroofed with 60 mil C-EPDM **2001 system**.

**OSB board was used at roof edges and roof curbs;  
air seal rope was installed between the existing gravel roof and the OSB board.  
The existing expansion joint separates the new 2001 roof from the 2001 roof installed 3 years ago.**
